description:

This wonderful authentic finca is situated in a countryside location only 15 minutes by car from Mahon.

It has a large garden with lemon, orange and pomegranate trees and a small wooded area. The very private pool is surrounded by a fenced terrace and has a BBQ.

The typical, Menorcan-style house has 2 levels and is in excellent condition. On the upper floor are 2 double bedrooms, a bathroom and a large terrace.

The ground floor houses a generous entrance area, a dining area, 2 living areas with fireplace, the kitchen, a double bedroom and 2 smaller bedrooms, and a laundry and storage room.

Neighbouring the finca on the same plot of land there is also a smaller house with 2 bedrooms, living area with fireplace, kitchen, bathroom and patio.

You will find here real Menorcan flair - natural, tranquil and nature-orientated, a property for true lovers of nature and very well-worth visiting.

localisation & environnement:

Es Castell is a small, pleasant municipality situated at the entrance to the harbour of Mahon. It is not only the most easterly district of the island, but also that of the whole of the state of Spain so that the sunrise here is the first to be seen in Spain every morning.

A number of streets meet in Calas Fonts, a pretty bay with a jetty where many handicraft stalls, restaurants and bars can be found, some even in converted caves.

Various viewing points provide views of 2 groups of islands in the harbour which are illuminated at night - the 'Isla del Rei' - the king's island, and el Llatzaret' - the hospital Island.

Approx. 3 kms distant is the quiet, idyllic bay of Cala Sant Esteve with the 18th century Fort Marlborough.
